

## *Tapestry Music's* Free Delivery to Schools!!!

*Tapestry Music* has now added a **Free Delivery To School** option for all online purchases! Parents can just follow the instructions below and order accessories from the comfort of their home while avoiding any shipping costs. This will include things like reeds, valve oil, slide grease, cleaning supplies, cords and cables, instruments, etc.

One of our reps will deliver the purchase to the school with the student's name on it.

Parents can also donate their rewards points to the school's music program if they follow the instructions below - turning their accessory purchases into a fundraiser for your music program!

If you would like to make use of this option, here are the step-by-step instructions:

Go to [www.tapestrymusic.com](http://www.tapestrymusic.com)

- Select "Shop/Browse By Category" and find the item(s) you need.
- Select "Add to Cart" when you have found the item you need.
- Select "Checkout" if you wish to pay or "Close" if you wish to continue shopping.
- On the Secure Checkout page please provide your email address, "Bill To" information and payment information.
- If you would like to make use of our "Free Shipping to School" option please put the school address in the "Shipping To" field and also provide the school name in the "Order Notes". Once a "Ship To" address has been provided, "Free Shipping To School" will become an available option under "Shipping Via".
- If you would like to donate your Loyalty Rewards points to your school music program please also specify this in the "Order Notes"
- Once all the necessary information has been provided, please double check your order and select "Place Order".

Your order will be delivered to the school as soon as possible! You can contact me (Bo de Roo) by my email and cell phone listed below, and I would be happy to assist you with any purchases you would like to make or any questions you might have.

We have also partnered with another independent retailer, *Arbutus Music*, in Nanaimo to offer band instrument rentals (and accessory purchases) through their location. So, if you happen to be down that way, you can stop in at their store as well. You can find them at 6324 Metral Drive in Nanaimo or online at <https://arbutusmusic.com/about-us/contact/>.

Kindly,

Bo de Roo
