

## ***BSS Band: Instrument Repairs***

I just wanted to remind everyone that repairs and general servicing of instruments are necessary from time to time. It is normal for band instruments to need professional servicing, repair and cleaning once or twice per year. Things like dents, damage from being dropped, or leaky pads (on flutes, clarinets, and saxes), should all be dealt with as soon as possible by a qualified repair technician.

We are fortunate to have a very experienced instrument repair technician nearby in Qualicum Beach. Please contact **Claudio Fantinato** at *High Note Musical Services* for any repairs or servicing that needs to be done. He works on contract with *Long & McQuade Music* and *Tapestry Music*, so rental instruments from those stores can go to him to get repaired.

Claudio is an amazing musician and one of the most experienced instrument repair technicians on Vancouver Island. Here is his contact information:

**Claudio Fantinato**

**High Note Musical Services**

591 Dogwood Rd., Qualicum Beach

**Phone: (250) 752-0838**
