

2020 Ballenas Secondary Music Program

Purdys Chocolate Fundraiser

Hello all,

We are embarking on a *Purdys Chocolates* Fundraiser for the Ballenas Secondary Music Program! Funds raised through this initiative will go towards music festivals, trips, workshops, and travel for this year and future years. *Purdys Chocolates* are a great idea for holiday gifts and Christmas presents!

We are running this as a department fundraiser this year, so funds raised will go into our Music Trust Account to be used for the entire program to bring down costs for festival fees and travel costs when needed. We will look at running it with funds going to individual students' accounts next year (as this takes more detailed planning and setup time).

The *Purdys* fundraiser is run completely online, and the prices are the same as those found in the *Purdys* retail stores. However, the Ballenas Secondary Music Program will receive 25% of the sales back to be put into our school trust account.

This year's order deadline is Wednesday, November 25th.

Order pickup will be at the school on Wednesday, December 9th.
